

HE IS RISEN!!

This is the second Sunday in the Easter season so let's continue to celebrate together...at 463 South Stage Coach Lane in Fallbrook, California. We have a live service in our Sanctuary at 9 am.

We have an online service, go to [sonrisefallbrook.com](http://sonrisefallbrook.com) then click "service".

Today we will be hearing how the Lord heals as we learn more about Deeper Still ministry.

**Deeper Still Fallbrook's mission** is to bring healing and lasting freedom to abortion wounded hearts of both **women** and **men**. If you have experienced abortion, we want you to know that you are not alone. We have been where you are. We have walked in your shoes. And we know what you are feeling.

***There is hope and healing for you and we are here to help!***
